felt like it was intellectually
deranged i.e. like the
eye 'patterns' - issue I
used to describe in my
old manuscripts, earlier this
year, but now it feels
like "intellectual
patterns" - my brain not
feeling like it is in ~~an~~ a
congruent state with
my spirit, and the
rest of my faculties.

i.e. lack of synchrony
between my brain/intellect,
and the rest of my faculties
i.e. mind, body, soul, emotions
; lack - of - synchrony between
